Pay attention to the following especially before driving the car.

The dimensions of the rent-a-car are different from the dimensions of your own car.

### Pay attention to the size of the car!

The field of view and sense of driving differ from those of your own car. Pay attention to the turning radius difference, as well as to the height of tunnels and gates.

Do not drive too fast.

### Try to drive safely!

Excessive speed will lead to an accident. Maintain a proper distance from the car ahead, and avoid reckless overtaking.

Inattentive driving or falling asleep at the wheel will lead to an accident.

### Have enough time and maintain composure!

Take a rest when you feel tired so that you can concentrate on driving. Avoid tight driving schedule in consideration of traffic jam.

Take utmost care to protect invaluable life.

### Put your baby in the child car seat!

The law requires that children under six years of age be secured in child car seats. Be sure to use a child car seat to protect your baby.

Use of a mobile phone while driving is subject to criminal penalty.

### Stop the car before using a mobile phone!

Use of a mobile phone for conversation or sending/receiving mails during driving is very dangerous and is subject to criminal punishment. Use a mobile phone after stopping the car in a safe place.

Illegal parking will cause an accident and traffic jam.

### Do not park the car illegally!

The driver is subject to criminal punishment when the car is parked illegally. Check the destination and route of driving in advance to secure a proper parking place.

We hope you will return safely.
